

Informational letter

The II International Scientific and Practical Conference «**Performing skills and Pedagogy: modern ideas and prospects**» within the I International Competition «**NAĞYM**» will be held.

The conference consists of three sections:

- **The contribution of the founders of musical art to pedagogy and performance in Kazakhstan.**
- **Problems of performing arts at the present stage**
- **Current issues of professional and pedagogical training of performers.**

Organizers: International creative Organization "Art Forum of Kazakhstan" with the support of the Center for the Rapprochement of Cultures under the auspices of UNESCO.

Format: Online

Date: December 15, 2024

Requirements for research article

The number of publications from one author is unlimited. The Organizing Committee reserves the right to select and edit materials for publication. Illustrations obtained as a separate file (jpg format) are welcome.

Applications are accepted until 5 December 5, 2024 at the following email address: 2024.conference@mail.ru

The text consists of three parts:

- introduction: the relevance of the topic is considered.
- main part: the author specifically focuses on the topic of the introductory part. The author shares his practical experience. The content of the methodological material can be revealed through the development of a lesson or event. In scientific articles, it is in this part that the essence of the material is revealed.
- final part: the part where a brief results of what was said is given, if necessary, recommendations are given.

Basic requirements for the design of articles:

1. Technical parameters: margins - 2 cm, paragraph - 1 cm, font-Times New Roman or Times New Roman KZ, font size-14 size, line spacing - single.
2. The file name must start with the author's last name (for example, Sadykova Zh-article. doc)

3. Tables in the text are placed after references to tables, for example, (Table 1. Quality of knowledge). Each table must have a name. The same requirements apply to charts and graphs. Schemas should be grouped.

4. Drawings (given in the format .tif or .jpg to supplement the content of the material). Photos must be of high quality.

5. Abbreviations may only be used in general terms, such as the names of measures, physical, chemical, and mathematical quantities, and terms.

6. The list of references in the report text is given at the end. The authors are responsible for the content of the articles.

The texts are accompanied by information about the author: last name, first name, patronymic, academic degree, title, position and place of work, contact information, e-mail.

Working languages of the conference: *Kazakh, Russian, English*.

For all questions, please contact the whatsapp number: +7-707-366-65-37 (Sagimbayev Nurlan), as well as to the above email address.

The conference materials will be published in the International Scientific and Practical Journal «AGYN» and sent to the authors by e-mail together with the certificate until December 20, 2024.
